

FEDERAL INTERVENTION IS FINAL HOPE

SEEMS TO BE ONLY WAY TO AVOID THE THREATENED STRIKE

Unless Agreement is Reached Between the
Union Heads and Executives of the Roads
Government May Act Under the Transpor-
tation Act—Union Ultimatum is Rejected

(By The Associated Press)
CHICAGO, June 29.—Intervention by the federal government under the authority of the transportation act, created to maintain the orderly course of the nation's transportation system, loomed tonight as the final hope of averting the threatened rail strike of 400,000 shopmen, and possibly half a million more railroad workers.

The ultimatum to the railway executives rejected, chief executives of the six shop crafts unions, which have called a strike for 10 a. m. Saturday and the leaders of four other unions now polling a strike vote, prepared tonight to answer the summons of the railroad labor board to appear in a federal investigation tomorrow afternoon.

With the union heads were summoned the executives of 23 railroads, charged by the employees with illegally contracting shop work in violation of the board's orders, one of the three questions on which the shopmen have been casting strike ballots for the last two weeks. Other railway executives of the 201 class 1 roads were also asked by the board to be present.

GOVERNMENT IS PREPARING FOR THE CONFERENCE

Both Sides Have Ac-
cepted Invitation to
Meet Saturday

(By The Associated Press)
WASHINGTON, June 29.—With acceptance received from all the principals in the bituminous and anthracite coal strikes, both on the operators and the miners' union side, official Washington tonight began preparations for the Saturday conference.

Harding has called to consider a possible basis for resuming work in the mine fields.

Both sides having accepted, question remained on only two points, first, as to the identity of the individuals who would represent the employers of the Unionized bituminous field, and second, what would be the administration's plan for procedure after the meeting assembled.

At the commerce and labor departments it was intimated that the union leaders and the operators would be expected to work out their own course after the conference assembled. President Harding was expected to bring the groups together, but his engagements call for him to leave Washington immediately after, and it was expected that secretaries Davis and Hoover then would represent the government.

Emphasis was placed behind the assertions in semi-official discussion that the government did not expect the meeting to bring about a strike settlement itself, but to recommend, if possible to associates and organizations represented by those present, a further course which might be followed and which might result in settlement.

NEW YORK, June 29.—All but \$100,000 of the great estate of William Rockefeller, brother of John D. Rockefeller and rated as one of the world's richest men, will remain in the Rockefeller family, under the terms of his will, filed for probate today.

The \$100,000 goes to the only executor named who is not a member of the family—John A. Garver, lawyer, who drew the will up.

The rest of the estate—variously estimated at from \$100,000,000 to \$200,000,000 goes in four equal shares to Mr. Rockefeller's four children; William G. Rockefeller, Percy A. Rockefeller, Mrs. Emma Rockefeller McAlpin and Mrs. Geraldine Rockefeller Dodge.

Provision is made in the will that their inheritances, when they die, shall pass on to their children.

The rest of the estate—variously estimated at from \$100,000,000 to \$200,000,000 goes in four equal shares to Mr. Rockefeller's four children; William G. Rockefeller, Percy A. Rockefeller, Mrs. Emma Rockefeller McAlpin and Mrs. Geraldine Rockefeller Dodge.

Provision is made in the will that their inheritances, when they die, shall pass on to their children.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

The association of railway executives, meeting here on other matters, considered and rejected the union proposal of a truce pending new negotiations over wages and working conditions.

The executive declared a strike would be against the orders of the labor board and against the United States government and disclaimed further responsibility for the situation. There is little likelihood, rail heads said, that any conference could be arranged to mend the difference of the employees and the roads, and most of the executives departed tonight for their homes. Executives of only 16 of the 23 roads cited were present at today's meeting but they expected to appear before the board tomorrow.

The July 1 \$60,000,000 wage cut and the modification of seven rules hitting the shop worker's overtime pay a severe blow, were the two questions involved in the shopmen's strike vote, which are conditions laid down by the local board, according to the carrier's position. Defiance of those orders by the roads would be "to recognize your power and authority as greater than that of the government," the executives reply to the union ultimatum said.

The reply was directed to B. M. Jewell, president of the railway employees department of the American Federation of Labor of which all 10 unions who threaten a walkout are members. It was signed by T. DeWitt Cuyler chairman of the executives' association which unanimously adopted the answer to the union demands.

Hooper Issues Statement.
Ben W. Hooper, chairman of the labor board, issued a statement tonight declaring that "it is evident to every student of the situation that the railway labor organizations have no just cause for serious complaint at the treatment they have received at the hands of the federal wage tribunals during the war period and since."

"I do not hesitate to make the prediction that never again will there be a successful railroad strike of any considerable proportion of importance in this country," the statement said. "The people will not stand for it. Every man concerned in traffic, travel and production, every consumer"

SWEET SUBJECT IS DISCUSSED IN U. S. SENATE THURSDAY

Tariff on Honey
Brings Forth Humor
and Sarcasm

(By The Associated Press)
WASHINGTON, June 29.—Tariffs on foodstuffs occupied the attention of the senate again today with committee rates on milk, cream, poultry and honey receiving overwhelming endorsement despite fights from the Democratic side and some opposition from the majority side in the case of the rate on cream. Duties approved were:

Milk, fresh, 2 1-2 cents a gallon, house rate 1 cent; sour and buttermilk 1 cent a gallon, house rate 1-2 cent; cream 2 1-2 cents a gallon, house rate 5 to 10 cents; milk powder 5 cents a pound, house rate 2 cents.

Poultry, alive, 3 cents pound, house rate 2 cents, dressed 6 cents, house rate 4 cents per pound all other poultry dressed, 8 cents per pound, house rate 20 per cent ad valorem poultry prepared or preserved and not specially provided for, 35 per cent ad valorem, house rate 20 per cent.

Honey, 3 cents a pound, house rate 2 1-2 cents.

Debate over the milk and cream duties developed a controversy among New England senators, with Senator Walsh, Democrat, Massachusetts, leading the fight to reduce the rates, and Senator Dillingham, Republican, Vermont, supporting the committee duties. Senator Lodge sought to have reduced the rate on cream used for household purposes, but his amendment to provide for ten cents a gallon on all imported cream not used for the manufacture of butter was rejected, 35 to 19. Discussion of the proposed duty on Honey brought forth considerable humor and sarcasm from the Democratic side. Sen. Stanley of Kentucky, remarked that no doubt the duty was designed to maintain the higher standard of living of the American Honey bee and he declared that the "utter indifference of the Democratic party to the American Honey bee is pathetic."

Senator Hitchcock, Nebraska, gave it as his opinion that the duty was designed to protect the American bee from the German bee, which he said, necessarily enjoyed a much lower living than the American bee.

Senators Johnson and Shortridge, California, Republicans, defended the committee rate.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

The association of railway executives, meeting here on other matters, considered and rejected the union proposal of a truce pending new negotiations over wages and working conditions.

MINE PROPERTY DAMAGED; TROOPS ARE MOBILIZED

Governor Orders Troops
Held in Readiness
for Trouble

(By The Associated Press)
DENVER, Colo., June 29.—Nine companies of the Colorado National Guard are under orders to mobilize tonight in seven cities and towns following the burning of two railroad bridges and the damaging of mines in northern and Southern Colorado. Coal fields last night and early today.

Orders for the mobilization of the guard and for the recruiting of the state ranger force from its present strength of 50 men to a total strength of approximately 400 were issued by Colonel Patrick J. Hamrick state adjutant general, following a conference with Governor Shoup.

Steel helmets to equip the organizations mobilizing were ordered shipped from Denver tonight. With their receipt the guardsmen will have the identical field equipment used by the United States army in France with the exception of gas masks, Colonel Hamrick announced.

"My orders from the governor are to preserve order in the state and to protect life and property," Colonel Hamrick said in a statement. "The mobilization of the National Guard is a preventive against any violence or trouble. Martial law will not be declared unless violence is resorted to by the enemies of law and order."

The principal outbreaks which led up to the events of today occurred near Walsenburg, in Huerfano county, in the southern Colorado coal field. Two railroad bridges, one near the Ideal mine of the Colorado Fuel and Iron company and the other at the Rouse mine of the same company, were burned early this morning. Four mines of the Colorado Fuel and Iron company are cut from railroad communication by the burning of the bridges. In addition, the tipple of the Stella May mine a small property near Walsenburg, was fired.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

CONFIDENCE OF WORLD IS WHAT RUSSIANS WANT

Representatives Claim
Soviets Have Gained
Results

(By The Associated Press)
THE HAGUE, June 29.—Soviet Russia wants to win the world's confidence, so that tangible help may come from the outside world.

Soviet Russia, without awaiting assistance from abroad, is laboring to improve Russia's financial condition and has achieved results.

These were the two main constructive thoughts which the Bolshevik delegates tried to fix in the public mind today. Maxim Litvinoff, head of the soviets, apparently impressed by the firm attitude of the European experts, assured them the Russian delegation would welcome any program calculated to reach an early solution of the problem of restitution of the property of foreigners in Russia. He promised to submit propositions, intimating that of course Russia did not thereby abandon communism.

The propositions have yet to be elaborated, and it is too early to say if they will prove satisfactory. M. Sokolnikoff, deputy commissary of finance addressing the newspaper correspondents tonight, said that the stern measures of economy adopted by the soviet had improved considerably the financial situation and had paved the way for extending commerce with foreign countries.

Conditions Improving.
Wheat, the basis of everything, was falling in price, and the general cost of living was moving downward. The harvest gave good promise, and famine would cease. The value of paper rubles has risen. Government employees had been reduced by 35 per cent; reforms had been instituted in taxes and customs; the receipts of the railroads, posts and telegraphs had increased because the people must now pay to use them.

"We are successfully combating the evils resulting from the issue of paper money," M. Sokolnikoff declared, "and are even planning to get Russia back to a gold basis."

He explained that the government contemplated the issue of bank notes based on gold to the extent of twenty five per cent of their face value. These notes would possess the value of gold rubles and were designed to facilitate and encourage commercial relations with foreign lands, which, he hoped, would be an outgrowth of The Hague conference.

The Russians were trying to demonstrate here that their government had not failed and that economic help was justified.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

The association of railway executives, meeting here on other matters, considered and rejected the union proposal of a truce pending new negotiations over wages and working conditions.

STANDARDIZATION OF AGRICULTURE IS RECOMMENDED

Believes Producer Will Be
Materially Improved
By It

(By The Associated Press)
WASHINGTON, June 29.—Recommendation that agricultural producers "be encouraged to develop co-operative association to hasten the standardization of agricultural productions, improve the distributive processes and reduce their costs" forms the core of the joint congressional commission of agricultural injury in its completed report on marketing and distribution made public tonight.

The commission states its belief that the "situation of the agricultural producer can be materially improved by a standardization of production of crops in producing centers so as to permit more economic selection, grading and preparation of commodities in the producers' local markets."

It notes that the federal government has removed limitations which have retarded the full development of co-operative associations and that federal governments should enact the necessary legislation to assure co-operative associations against unfair discriminations and to insure such associations against unfair practices.

Economics in Marketing and Distribution.
The commission found, can be effected through development of greater uniformity of products, grades, standards and containers; improvement in methods of handling by agencies in local, primary and terminal markets which will create greater certainty on the part of the receiver and the part of the producer as to salability of products; establishment of qualified and authorized agencies to arbitrate disagreements between shippers and receivers as to value, condition, kind, grade and quantity of commodities; development of adequate, organized and correlated terminal markets and by minimizing movements of commodities from terminal to terminal or from terminals to central market thus saving employment of an unnecessary large number of men and equipment.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

STAYS IN FAMILY**

(By The Associated Press)
NEW YORK, June 29.—All but \$100,000 of the great estate of William Rockefeller, brother of John D. Rockefeller and rated as one of the world's richest men, will remain in the Rockefeller family, under the terms of his will, filed for probate today.

The \$100,000 goes to the only executor named who is not a member of the family—John A. Garver, lawyer, who drew the will up.

The rest of the estate—variously estimated at from \$100,000,000 to \$200,000,000 goes in four equal shares to Mr. Rockefeller's four children; William G. Rockefeller, Percy A. Rockefeller, Mrs. Emma Rockefeller McAlpin and Mrs. Geraldine Rockefeller Dodge.

Provision is made in the will that their inheritances, when they die, shall pass on to their children.

ILLINOIS CHAMBER OF COMMERCE TAKE STEPS TO OPEN COAL MINERS

Appoints Special Committee to Formulate
Plans So That Difficulties in the Mining
Industry in Illinois Can Be Settled—
Coal Shortage is Now Felt in Peoria

(By The Associated Press)
CHICAGO, June 29.—The Illinois Chamber of Commerce took steps today looking toward the opening of the coal mines of Illinois when a special committee was appointed "to formulate plans so that we can settle our difficulties in Illinois." No action will be taken prior to the conference of operators and miners' representatives with President Harding Saturday, it was stated.

Today's action was taken by a special committee of directors of the Illinois chamber at which reports were received from commercial organizations of 20 Illinois cities to the effect that a coal shortage was nearer than generally believed, and even had developed in some places.

Representatives from Peoria who had announced their intention of immediate re-opening strip mines in Peoria township today agreed to defer action pending Saturday's conference in Washington. President Sutcliffe of the Peoria Association of Commerce charged that union miners had induced steam shovel workers in the strip mines to quit by telling them to "remember what happened at Herrin."

E. E. Corman of the Central Illinois Light Company which supplies 30 cities exhibited reports showing some industries had suffered from a fuel shortage and asked the meeting to petition Governor Small to avoid bloodshed at Peoria by sending troops to the mines when they are reopened.

In appointing the committee, President John H. Camlin of Rockford said:

Wants Square Deal.
"We are not prejudiced in favor of either the operators or miners. We want a square deal all around. I believe there is enough Americanism in Illinois to get a square deal. We hope the conference called by President Harding will bring about settlement of the strike, but if it does not we will try ourselves to effect a square deal in Illinois."

Reports submitted from cities today showed one ice plant at Peoria closed on account of a coal shortage, three hospitals faced with the danger of shortage and a light company faced with the danger of suspension. Deatur said many industries were running at lower capacity than in normal times. Rockford reported 2,100 tons of hard coal and 2,400 tons of soft coal on hand. Lincoln said coal was being shipped in to supply threshing needs. Abingdon said dealers had less than two carloads on hand and one factory has been forced to close.

Danville reported a coal shortage there would be acute September 1. Quincy estimated its stocks would last until July 18. Shelbyville said it was already suffering from a coal shortage and Sterling and Rockfalls said supplies were low. Mount Vernon, Cairo, Robinson, Belvidere, Christopher, Kewanee and Joliet said there was no shortage at the present time although some of the towns expected a shortage in two months.

Most of the suggestions as to a remedy included appeals to the state and national authorities to act in the matter.

Developments of the strike situation came in rapid sequence today. International presidents of the six shop unions announced telegrams authorizing their membership to walk out on Saturday morning.

The labor board immediately recognized a threatened interruption of traffic and acting under the authority of the transportation act issued the citation to the strike leaders.

The association of railway executives, meeting here on other matters, considered and rejected the union proposal of a truce pending new negotiations over wages and working conditions.

The executive declared a strike would be against the orders of the labor board and against the United States government and disclaimed further responsibility for the situation. There is little likelihood, rail heads said, that any conference could be arranged to mend the difference of the employees and the roads, and most of the executives departed tonight for their homes. Executives of only 16 of the 23 roads cited were present at today's meeting but they expected to appear before the board tomorrow.

The July 1 \$60,000,000 wage cut and the modification of seven rules hitting the shop worker's overtime pay a severe blow, were the two questions involved in the shopmen's strike vote, which are conditions laid down by the local board, according to the carrier's position. Defiance of those orders by the roads would be "to recognize your power and authority as greater than that of the government," the executives reply to the union ultimatum said.

The reply was directed to B. M. Jewell, president of the railway employees department of the American Federation of Labor of which all 10 unions who threaten a walkout are members. It was signed by T. DeWitt Cuyler chairman of the executives' association which unanimously adopted the answer to the union demands.

Hooper Issues Statement.
Ben W. Hooper, chairman of the labor board, issued a statement tonight declaring that "it is evident to every student of the situation that the railway labor organizations have no just cause for serious complaint at the treatment they have received at the hands of the federal wage tribunals during the war period and since."

"I do not hesitate to make the prediction that never again will there be a successful railroad strike of any considerable proportion of importance in this country," the statement said. "The people will not stand for it. Every man concerned in traffic, travel and production, every consumer"

an outing at Meredosia bay if you do not join with the Social Service league in raising the necessary funds.

Mrs. Oleson of Minnesota has lost the distinction of being the only woman candidate for the U. S. senate. Now Mrs. Hooper has been nominated for the senate by the Democrats of Wisconsin. Presumably in a few years more the nominations of women for the house and senate will be just about as frequent as the nominations of men.

At last a movement has been inaugurated for an investigation of the Herrin horror. The circuit court judge has announced that a special grand jury will be convened about July 10 to conduct an investigation. Just how vigorous will be the search for evidence remains to be seen.

If the constitutional convention proposes to submit the result of its work so that all or none must be adopted, there is not much use in holding an election.

This is the way that the Chicago Herald-Examiner emphasizes the value of religious education. "Knowledge is power, but faith is the steering wheel. Education without religion is undirected energy."

The defeat of the proposal to issue bonds in South Jacksonville for the laying of water mains came as a surprise to most Jacksonville people. The vote showed

because of the Railroad Labor Board decisions would be a defiance of a legally established tribunal and would result disastrously to the strikers, is the purport of a statement issued by the Republican Publicity Association.

The statement says: "Notwithstanding frequent assertions that the American people are showing a tendency to look with leniency upon lawlessness the fact remains that the American people are the most law abiding of any in the world. They recognize as the fundamental principle of American institutions that this is a government by the people and not by men, and that liberty depends absolutely upon the maintenance and enforcement of law. This being true there can be no hope for ultimate success of a general railroad strike in defiance of the decision of the Railroad Labor Board in the matter of railroad wages.

"It may be readily admitted that perhaps the Railroad Labor Board, in its decision did not reach exact justice for exact justice is impossible so long as human infirmities continue. But it may be safely asserted that the decision of the Board, after due consideration of the facts and circumstances, is a far nearer approach to justice than can be attained by any other means or thru any other agency. In the reduction of wages, which have been ordered, there is just as much possible that they were too small as that they were too great. Undoubtedly members of the Board did what they thought was right in an effort to award the railroad workers just compensation, with due regard to the cost of living, compensation paid in other lines of industry, the character of the work, and the ability of the industry to pay.

"However that may be, the fact remains that the Railroad Labor Board is a lawfully established tribunal of adjudication; it proceeded with its work in a lawful manner; it reached a decision which stands as an expression of the will of the American people and that decision is entitled to the same respect as any other decision by any other government tribunal."

FRANKLIN LODGES TO HOLD JOINT PICNIC
Woodmen and Odd Fellows Plan Big Two Day Picnic For August 16 and 17.
The Franklin I. O. O. F. and Woodmen lodges are to unite in a big two days picnic August 16 and 17, preliminary plans for this event having recently been perfected. Each of the lodges appointed an executive committee and at a recent meeting these committees appointed George Schaaf general chairman and O. B. Rees secretary.
Chairmen of various sub-committees are listed below, each chairman having the right to choose his own committee members:
Speakers—O. B. Rees and W. N. Luttrell.
Music—M. D. Henderson.
Advertising—George Schaaf.
Decorating—J. A. Williamson.
Free Attractions—W. N. Luttrell.
Concessions—H. M. Tulpin.
Dance—W. E. Eador and Thos. Donaghy.
Dinner—J. M. Wynn.
Dinner Stand—Chas. Watts.
Burgoon—George H. Jolly.
Burgoon Stand—W. H. Hillis.
Hamburger Stand—Otis Leak.
Ice Cream Stand—Russell Wynn.
Soft Drink Stand—Leonard Roach.
Water—A. G. Rawlings and Pernel McNeely.
These chairmen and members of the executive committee will hold a general meeting Monday evening, July 10, when the final arrangements for the picnic will be made.

VISITOR DEPARTS
Mrs. Mary L. Green of Nashville, Illinois, who has been visiting at the home of her son, Hugh Green for the past two months, has left for O'Fallon, Illinois, where she will visit at the home of her daughter.

GIWANIANS HEARD REPORTS OF MEETING
F. E. Farrell and Dr. Thomas W. Smith Tell Members of Big Gathering at Toronto at Thursday Meeting.
F. E. Farrell and Dr. Thomas W. Smith delivered very interesting talks with their reports on the International Kiwanian convention at the regular meeting of the club at the Peacock Inn Thursday. Mr. Farrell was the first to speak and talked especially of the trip by steamer from Chicago to the convention. A stop was made at several points on the way among which was Niagara Falls, New York.
During the long lake trip Mr. Farrell told of meeting Dr. J. C. Bolatin, famous physician who at one time attended the Blind Institute in this city. It will be remembered that Dr. Bolatin was a guest of Supt. Woolston of this city some time ago.
Upon the arrival of the Kiwanian delegation at Toronto, many programs were arranged for their entertainment among which was a grand event given at the Canadian Exposition grounds and called the "Tattoo and military ride. Over five hundred musicians participated and about 25,000 onlookers were present.
The business sessions of the meet were marked by several speakers of international note, among which were the International President, Hon. Lieut. Col. Harry Cockshutt; Hon. John O'Connor, Pres. of Toronto Club, and Past President J. Mercer Barnett.
Visitors at the meeting today were Julian Harvey of St. Louis, Z. W. Graff, McLeansboro and Lathrop Ward, of Jacksonville.
The attendance prize offered by the club was awarded to Harry Premis.

LAWN SOCIAL GIVEN AT WINCHESTER
Members of St. Mark's Catholic Church Clear Goodly Sum at Ice Cream Social—Other Winchester News.
WINCHESTER, June 29—The members of St. Mark's Catholic church gave an ice cream social Thursday evening on the rectory lawn. There was quite a large attendance and large quantities of ice, cream, cake and pop were sold, netting a substantial sum for the church treasury. The high school band gave a program during the evening.
Miss Mary Ruth McDonald returned home Wednesday night from a three weeks' visit with relatives and friends in St. Louis. Miss LaVerne Mallory accompanied her home for a visit. Miss McDonald was a graduate from the Winchester high school this year and was fortunate in being awarded a scholarship at Illinois college.
Edward Kendall and wife of Bluffs were visitors here Thursday.
Miss Abbie Eddings of Jacksonville is visiting her parents here. Thomas Gibbs left Wednesday for the northern lakes where he will spend four weeks with a camping party.
Mrs. M. B. Gettys of Quincy arrived Wednesday evening to visit her sister, Mrs. H. H. Fletcher. The latter and her son, Wayne Fletcher, motored to Bluffs to meet Mrs. Gettys Wednesday.
The residence of A. C. Smith on South Main street is being given a coat of paint.
R. Lorddecker of Quincy was a Winchester business visitor Thursday. He succeeded W. B. Hedges with the Irwin Paper Co. Mr. Hedges has made many friends during his visits to the city and all will regret to know that he will no longer have this territory.

FORMER RESIDENT OF ALEXANDER DIES

Mrs. George Williams Passed Away at Oklahoma City, Okla. After Long Illness—Other Alexander Items.

Alexander, June 29.—Mrs. J. B. Cerrington received a message Thursday telling of the death of her niece, Mrs. George Williams, at the family home in Oklahoma City, Okla. The deceased, who was about forty years of age, had been in ill health for a long period and her death was not unexpected.

The deceased was a daughter of Mr. and Mrs. Marvin Thompson, until about a year ago residents of the Alexander neighborhood. Prior to her marriage she was Miss Annie Thompson and spent the earlier years of her life in this community.

Surviving are the husband and one child, together with the parents and the following brothers and sisters, Misses Bertha, Katherine and Dorothy Thompson, Robert, Thomas, Marvin Jr., and Lon Thompson.

No particulars have been received as to the funeral, but it is presumed that burial will be made at Oklahoma City.

News Notes

Mrs. Lester Gray was hostess to eight of her friends at a picnic held Thursday at the Franklin reservoir. The day was spent in boating and swimming and a bountiful picnic lunch was served at noon. The party included Mrs. Fred Neal, Misses Josephine Ruble, Wanda Willett, Ethel Willett, Grace Armstrong, Frances Beerup, Mary Wright and Martha Mason.

Mr. and Mrs. M. E. Greenleaf and two sons of Jacksonville spent Thursday in Alexander.

Mr. and Mrs. George Francis have returned from a two weeks' wedding trip to Carrollton, Mo.

CLOSING PROGRAM TO BE GIVEN TONIGHT

Daily Vacation Bible School Will Give Final Program and Exhibit of Craft Work—All Cordially Invited to be Present

The Daily Vacation Bible School will give its closing program and exhibit of craftwork this evening at 7:30 o'clock at First Baptist church. The parents of the pupils and all those interested in the work will be given a chance to see the school in operation and view the result of the students' work along craft lines.

The daily program will be reproduced as far as possible. A professional participated in by all the children of the school will begin the program. Following will come singing of group songs, recitation of Bible verses and production of a Biblical drama by the kindergarten children.

The primary department will hold the opening services immediately following the professional and will also present "Ten Little Heavens" and "One Little, Two Little, Three Little Indians," both missionary exercises.

The junior department's contribution to the evening's program will be the portrayal of two or three of the outstanding events in the life of Joseph.

A Bible geography drill and the closing exercises will be in charge of the members of the intermediate department.

Each department will be allowed to present its own cheers and booster songs during its section of the program.

The exercises, it is hoped, will not exceed an hour and a quarter.

There will be no admission charge and no collection taken, as the local churches are bearing all the expense in connection with the school. The public is cordially invited.

Fishing lines from 5c up at H. L. SMITH HDW. CO.

PATRIOTIC PROGRAM AT DURBIN CHURCH SUNDAY

Next Sunday will be observed as Patriotic Sunday at Durbin church. An appropriate program has been prepared, consisting of music and recitations, and there will be a patriotic sermon by the pastor, Dr. F. M. Rule.

INSURGENTS ARE STILL HOLDING THEIR POSITION

(Continued on Page Four.)
The provisional government of the republicans are circulating confidential statements and the O'Connor is not supposed to be responsible to the DeValera party, it is evident from the statement issued by Mr. DeValera today that he has that party's sympathy.

No accurate estimate of the casualties can be made, although the dead are known to number at least a score, the wounded reaching a high figure. The casualties are by no means confined to the investing and besieged forces, as sniping has played a considerable part.

The irregulars are using all the old methods familiar in the fight against the British, and their propaganda, posted on lamp posts is characterized by strong appeal to popular sentiment, such as the statement that when they received the free state ultimatum all knelt and said the Rosary in Irish.

The conflict is dividing families in sentiment, and there are many fathers with sons in both camps.

LONDON, June 30.—A dispatch to the Times from Dublin, timed 2:30 o'clock this (Friday) morning says the Free State who attacked the Four Courts are commanded and being personally led by Brigadier General Daley.

After brisk artillery and machine gun fire General Daley led his men from the south side of the Liffey across Grafton street and the bridges.

The gun fire had broken down the gate, and so briskly did the Free State soldiers make the ascent that they did not suffer any serious casualties.

As they crossed the court yard, rifle butts and rams broke down the inner door, and as they fell the defenders poured a withering fire upon the attacking force. Three rebel soldiers were killed outright by gun fire and ten others were wounded in hand to hand fighting which ensued.

Twenty-two irregulars threw up their hands and surrendered, while Rory O'Connor, with Brigadier General Traynor and 150 men retreated to a far corner of the court. Quickly throwing up barricades they are now holding the Free Staters at bay.

FEDERAL INTERVENTION IS FINAL HOPE

(Continued from Page One.)
of the necessities of life is absolutely dependent on the efficient operation of the railways.

"The wages fixed by the recent decisions of this board will purchase more than the wages received by them prior to the war. In other words their wages have increased by a greater percentage than has the cost of living. In some instances, the increase is strikingly notable.

"With but little exceptions the great carriers of the country have paid the wages fixed by the various succeeding government tribunals. Now that the decreases have come the employees should be good sports and accept the reductions. Let it be understood, however, that the board is convinced at this time that it has made no mistake and committed no injustice of any noteworthy magnitude, in its recent decisions on rules and wages.

"The employees do have one substantial grievance against certain of the carriers, and that is the contracting of railway employment to so called independent contractors. This is not simply a labor grievance, it is a public grievance.

"It is highly gratifying that several carriers have withdrawn from the contract policy this week and it is hoped that all the others will follow.

"Let both the carriers and the employees deal fairly with each other, and both can come before the court of public opinion with clean hands."

Henry Walsh and family were city arrivals from Alexander yesterday.

BRIEFS

(By The Associated Press)

ST. LOUIS, Mo., June 29.—Governor Hyde has telegraphed President Harding urging him to accept the invitation of the local chamber of commerce to inspect the Mississippi river from here to New Orleans and study its transportation and flood control needs. The local chamber of commerce would act as host on the trip.

LOS ANGELES, June 29.—Captain P. J. Flynn, said to have been a member of the crew of the Monitor, which vanquished the Merrimac, in the first battle of steel warships, is dead. A native of Maine, he came to California in 1869.

LOS ANGELES, June 29.—Twenty locomotives, said to represent an investment of \$2,000,000, will arrive here tomorrow for distribution over the Southern Pacific lines on the Pacific coast. The train of engines had been termed "The prosperity special."

STOCKHOLM, June 29.—The entire Swedish, Finnish and Norwegian paper output, the newspapers announce, will be sold to America. Most of the big paper mills have signed an agreement to export thru a projected American syndicate headed by one of the officials of the Canadian Export Paper Co.

SAN FRANCISCO, June 29.—Complaints that the vocational training school established by the United States Veterans Bureau at Camp Sherman, near Chillicothe, Ohio, is inadequately equipped, poorly administered and does not fit former service men for useful occupations, were brought to the attention of the Disabled American Veterans for the World War here today. Action by the convention is expected to follow debate on the subject.

ST. LOUIS, June 29.—The largest up-stream tow for a single month in the history of the federal barge service on the Mississippi, approximately 42,000 tons, is the June achievement, it was announced today.

This is about 10,000 tons more than ever was carried up stream by the service since its establishment in 1918, the announcement said.

NEW YORK, June 29.—The bulk of the estate left by William Rockefeller, oil magnate, reputed to have been one of the richest men in the world, was bequeathed to his four children, under the terms of his will filed for probate late today.

Mr. and Mrs. E. H. Trabue of Greenfield were callers in the city Thursday.

FARRINGTON HAS WASHED HANDS OF COAL SITUATION

Says He Can Do No More
Than He Has Done in
Peoria County

(By The Associated Press)
PEORIA, June 29.—Frank Farrington, president of the United Mine Workers of Illinois, has formally "washed his hands" of interference in the Peoria county coal mining situation.

He has announced that a telegram sent to local union chiefs a week ago appealing to them to refrain from any disorder, stands as his answer to requests of independent mine owners here that their mines be reopened under his sanction.

In reply to a telegram from independent mine owners asking permission to reopen mines here, Farrington sent the following telegram:

"To the independent mine operators:

"In a telegraphic appeal sent to the president of every local mine union in Illinois, I admonish their members to do everything possible to prevent disorders and violence, and I can do no more than I have already done.

(Signed.)

"Frank Farrington."

Sheriff L. W. Hines and Deputy Sheriff Frank Lichtweiss made another tour of the Mapleton mine district today. They reported everything quiet in that district and all mines suspended.

While an amicable settlement of the mine situation was predicted on all sides, Sheriff Hines continued his preparation for any trouble which might possibly arise.

More than a hundred deputy sheriffs were recruited from the ranks of Peoria business and professional men Thursday. It is expected to increase the number to several hundred.

EMPLOYMENT UNIT FOR DISABLED VETS

(By The Associated Press)

SAN FRANCISCO, June 29.—An employment unit to provide work in various industries for disabled veterans who have been rehabilitated will be set up by the Veterans' Bureau within thirty days in each of its 14 districts in the country, it was announced today.

"We will say to the industries of the country," declared Hyland, "You have a moral and patriotic duty to perform that you were called on for during the great conflict in Europe. The responsibility of furnishing employment to those who fought for you now comes back to you. Any employer who refuses to give any portion of his time and thought to this work is unworthy of protection."

AGREE TO VOTE ON ANTI-LYNCHING BILL

(By The Associated Press)

WASHINGTON, June 29.—An agreement to vote finally on the house anti-lynching bill was reached today by the senate judiciary committee with indications that the bill would be reported to the senate by a divided vote and without fundamental change in the house plan.

In amending the bill today the committee adopted proposals by Senator Cummins, Republican Iowa, designed to remove some constitutional points raised against the legislation.

The Cummins amendment would require a statement, in federal indictments against those alleged to have participated in lynchings, that the state in which the lynching occurred had failed to give the victim the constitutional protection required.

NICE FACE SAVES FROM PRISON SENTENCE

DETROIT, June 29.—Because he has a "nice face," Godfrey Waltz, 26, driver of a government mail wagon who confessed to theft of \$21,000 from a registered mail pouch in Monroe two weeks ago, will spend two years in the Wisconsin State Reformatory at Green Bay, rather than serve a sentence in the federal penitentiary at Leavenworth, Kansas.

Waltz, who returned all but about \$600 of the sum stolen, was married two months ago. In passing sentence Judge Tuttle said: "Your face is too nice to be seen in a federal prison."

NEW COMMANDER FOR ASIATIC FLEET

WASHINGTON, June 29.—Vice Admiral E. A. Anderson has been ordered to command the Asiatic fleet, succeeding Admiral Joseph Strauss, who having served a tour of duty has been ordered home to await orders. It was announced at the navy department. The new commander will have the rank of admiral, while on the station, and Admiral Strauss will revert to his former rank of rear admiral.

SOMEBODY IS HOLDING OUT ON GOVERNMENT

WASHINGTON, June 29.—Somebody is holding on to more than 20,000,000 worth of three and three quarters per cent Victory notes upon which interest is no longer paid, according to an announcement today by Secretary Mellon. All 3 3/4 Victory notes were called for redemption on June 15, Mr. Mellon said, and interest on them ceased on that date.

AUTHORIZE PURCHASE OF PRIVATE CANALS

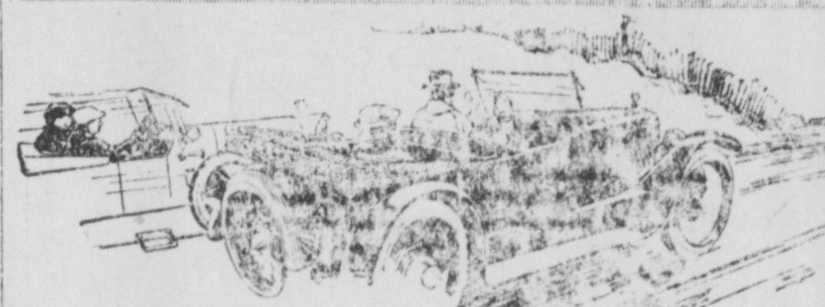

(By The Associated Press)

WASHINGTON, June 29.—Purchase by the federal government of the Cape Cod and dismal swamp canals now privately owned and operated is authorized under a senate amendment to the rivers and harbors development bill adopted late today by the senate commerce committee. With the acceptance by the committee of the two important amendments the bill was made complete and its favorable report to the senate was ordered.

WILL ISSUE NO STRIKE ORDER

DETROIT, June 29.—Although members of the International Brotherhood of Maintenance of Way Employees and Railway Shop Laborers have voted overwhelmingly in favor of a strike, no strike order will be issued until after the meeting of railway executives and union officials with the labor board that begins at Chicago tomorrow afternoon. E. F. Grable of Detroit, president of the Brotherhood, announced today.

DR. DOLLEAR BACK FROM COAST TRIP

Found International Rotary Con-
vention at Los Angeles a Great
Gathering

Dr. A. H. Dollear, a delegate
from the Jacksonville Rotary club
to the International Rotary con-
vention in Los Angeles, has re-
turned home. Dr. Dollear ex-
pected a convention replete with
enthusiasm and with programs of
value, and the convention exceed-
ed his expectations. He returns
to his home city more interested
than ever before in the efforts of
the Rotary organization to lend
its influence to worth while
things in the communities where
Rotary clubs are in existence.

As was true at other interna-
tional conventions, at the Los An-
geles meet special emphasis was
laid upon boys' work. The asso-
ciation believes that the big na-
tional questions that press for so-
lution depend largely upon the
methods used in the handling of
young citizens, the manner in
which their characters are shaped.
Following the convention Dr.
Dollear visited Portland and
Seattle and some other cities on
the coast. He returned over the
Northern Pacific.

Yesterday Mrs. Dollear and
sons, who have been visiting rela-
tives in Terre Haute, Ind., re-
turned home.

RETURN FROM AUTO TRIP TO TORONTO, CAN.

Mr. and Mrs. Lloyd S. Reid and
son and Mrs. Reid's mother, Mrs.
Edward DeBarenfeld, returned
yesterday afternoon from a
two weeks' auto trip. They went
first to Toronto, Canada, where
Mr. Reid attended the interna-
tional Kiwanis convention. The re-
turn trip was via some of the
Michigan resorts and Starved
Rock in this state, and the trav-
elers report the trip a very en-
joyable one.

of Springfield called on city
friends yesterday.

Mr. and Mrs. Otto Luken came
to the city from Alexander yester-
day.

Martin Fuller journeyed to the
city from Litchberry yesterday.

Burdette Bowman of Chicago
visited Jacksonville people yester-
day.

Stephen Robinson helped rep-
resent Roodhouse in the city yester-
day.

Mrs. Sanders Baptist of the
northeast part of the county cal-
led in town yesterday.

NO ADDITIONAL BODIES REMOVED

(By The Associated Press.)

HERRIN, Ill., June 29.—No ad-
ditional bodies were recovered
from the wrecked strip mine near
here today by William McCown,
coroner of Williamson county,
and a squad of nine deputies who
worked all day digging with shov-
els in the earth around the des-
troyed steam shovel of the South-
ern Illinois Coal Company.

A wounded strike breaker, who
is in a hospital here, reported
that guards at the mine buried
several dead strike breakers last
Wednesday night with the steam
shovel, but Coroner McCown said
no evidence was found to sub-
stantiate the report.

Other developments today in
the mine situation in Williamson
county were announced by Cir-
cuit Judge Hartzell at Marion
that a grand jury investigation
of the mine massacre last Thurs-
day would begin July 10, and the
first arrest in connection with the
mine disorders in the district.
Maintenance at three mines of
the Madison Coal Company near
Carterville who had quit work
after being warned to leave, re-
turned to their posts, and deputy
sheriffs arrested a union miner at
Carterville in connection with the
threats.

WILL SEEK NEW TRIAL FOR GREEKS

Walter W. Wright Will Present
Argument Before Judge Wolfe
in Quincy Today.

Walter W. Wright left for Quincy
last night and will appear today
before Judge Wolfe in the circuit
court to argue a motion for a new
trial for the 29 Greeks who were
recently convicted on a charge of
manslaughter. John E. Wall of
Quincy will also present argument
in favor of the defendants.

Unless a new trial is granted
the men will be committed to
Joliet to serve for a period of one
year or until discharged.

In filing the motion for a new
trial the defense alleges that the
verdict of guilty was returned be-
cause of race prejudice and not
on the basis of the evidence pre-
sented. It is maintained that the
court erred in admitting improper
evidence and the improper in-
structions were given on behalf
of the people.

It is charged further that the
court made improper remarks in
the presence of the jury and of-
fered comment on the evidence.
Other errors in the court's man-
ner of handling the trial will also
be alleged.

ELKS HELD PICNIC

There was a large attendance at
the Elks picnic and chicken fry
given on the grounds of Oak Lawn
Sanatorium Thursday evening.
The committee in charge had
arranged a program of varied
events to hold the interest of those
in attendance. There were nu-
merous contests in which prizes
were awarded.

RETURNS TO CITY

Mrs. Thomas Wall is again at
her home here after a visit of a
week with relatives in St. Louis.
Her niece, Miss Fern Zinn, ac-
companied her home for a visit of
several weeks.

Miss Jeanette Odgen, head of
Academy Hall, is to leave today
for Galesburg to visit her mother
and sister, before leaving for
California to spend the remainder
of the summer.

TOO LATE TO CLASSIFY

North street. 6-30-31

NOTICE TO CONTRACTORS

Sealed bids will be received by
the Water Committee for the dig-
ging of about or approximately
1100 ft. of trenches 4 ft. in depth
and 20 in. in width and bell holes
to be 12 ft. centers, for water
mains and refilling trenches along
the following streets: Washing-
ton St. from N. Main St.; Railroad
St. from N. Church St.; east to the
Ell Bridge Co.

Bids will be received up to the
hour of 4 o'clock P. M., Monday
July 3, at the office of the Water
Supt.

Bidders will examine the loca-
tion and judge for themselves of
all the circumstances surrounding
conditions affecting the cost and
nature of the work.

All work to be done under the
supervision and to the satisfac-
tion of the Water Supt. All bids
shall be per lineal foot. The Water
Committee reserve the right to re-
ject any and all bids.

W. H. COBB,
Water Supt.

EXECUTOR'S NOTICE

ALCAZAR Kerosene Gas Cook

Square Top
Grates

Enameled Burn-
er Drums

Patented Solid
Brass Burner

Closed Back

Large Roomy
High Shelf

Convenient End
Shelf

Glass Oil Tank

Removable
Burner Tray

Cooks and Operates Like a Gas Range
Makes Gas from Kerosene

Note the features. Really more of a Gas
Range than an Oil Stove, is the Alcazar Kero-
sene Gas Cook. This stove does not burn oil
off the wick as does the ordinary oil stove.
The Alcazar burner mixes air with the kero-
sene and makes a gas. You burn the gas,
not the oil.
The gas makes a powerful blue flame which
is concentrated directly on the cooking vessel
where it is needed.
The heat is not spread and partially lost as
with the ordinary Oil or Coal Stove. It

all goes for cooking and baking. This means
your cooking done quicker and less oil con-
sumed. Also a cool kitchen in hot weather.
Burning gas instead of oil insures a clean,
sweet kitchen and a clean stove and pleasant
cooking.
You'll save money instead of burning it when
you have the Alcazar Kerosene Gas Cook.
You'll lighten your cooking tasks too and
make things easier for yourself.
Let us show you this stove. Note how well
it is made—"A Beauty," you will say.

VERLY CLUB HELD MEETING IN FRANKLIN

Members of the Magazine club recently held a meeting Thursday afternoon at the home of Mrs. J. Calhoun in Franklin. Mrs. Calhoun has for some time been member of the club and although she is now a resident of Franklin still maintains an active interest in the organization. There were seventeen members and three guests present, the guests being Miss Lucretia Hutchins of Jacksonville; Mrs. Lav-

ery of Springfield and Miss Helen Massie of Franklin. The principal paper of the afternoon was presented by Miss Edith Wemple, the president of the club, whose theme was "Madame Curie." Several piano selections by Miss Bess Bradford added quite materially to the interest of the program. Miss Bradford has just returned from her year's work as teacher of piano in Rockford college.

At the close of the program there was a pleasant social hour and very attractive refreshments were served by the hostess.

When the Declaration of Independence was written

people were still carrying money bags and paying their bills in cash. It was not until many years afterwards that this practice was discarded in favor of the modern way of paying bills by check.

You may be sure that if Thomas Jefferson, Benjamin Franklin, John Hancock and the others were living today they would follow the modern practice of paying their bills by CHECK.

Get in line with the progress of the day by OPENING A CHECKING ACCOUNT IN THIS BANK. It is the only sensible way.

DEMOCRATIC WOMEN HELD CONFERENCE

Met in Chicago to Form Auxiliary State Committee—Mrs. Henry W. English Represents Twentieth District.

Mrs. Henry W. English has returned from Chicago, where she went to attend a meeting of the Woman's Auxiliary Democratic State central committee. This meeting was held in response to a call issued by Thomas G. Donovan of Joliet, who is chairman of the Democratic State Central committee.

Mrs. English is the chairman for this, the 20th congressional district. The meeting was held at Hotel Sherman and was for the purpose of discussing some of the issues that face the state and nation in which women are particularly interested. The purpose is to organize in a way which will be helpful to the Democratic party. The delegates from the various districts throughout the state and the officers of the state committee are of one mind that the state should work in perfect harmony. That thought will be kept in mind as the committees in the various counties throughout the state are formed.

Another conference is to be held in Chicago the first week in September. At that time the district chairman will report something of the organization progress made and matters relating to the fall campaign will be given consideration.

Mrs. Pearl J. Bergland of Galva was elected chairwoman of the auxiliary committee. During the conference Mrs. Anna L. Smith, who is a member of the national committee, presided. Among the addresses were those by Dr. Rowena M. Mann, and Prof. William E. Dodd of the University of Chicago. Professor Dodd told the delegates that one of the most important questions that the party and the nation face is the settlement in the right way of the relations between capital and labor. The foreign policy, especially with reference to trade, must be outlined and followed by this government in a way which will permit the development of the export trade to which the United States is entitled.

TWO LOTS LADIES WASH DRESSES LESS THAN HALF PRICE Values up to \$5.00, choice for \$1.98 Values up to \$7.50, choice for \$2.98 On Sale, First Floor F. J. WADDELL & CO.

THRESHING BEGINS IN MURRAYVILLE PRECINCT

Threshing will begin in the Murrayville neighborhood today on the farm of Charles Sullivan. The farm is located east of Murrayville and Mr. Sullivan has a field of 40 acres which promises a good yield. Most of the elevators in the county are now offering \$1 a bushel for wheat and a great many farmers are contracting for delivery at that price.

A week or ten days ago the elevators were offering 94 and 95 cents. At that time many of the growers indicated that they would be willing to sell when the price reached \$1. Within recent days the market reacted to that figure and numerous sales have been the result. The \$1 offering is on the basis of No. 2 and it remains to be seen just how much of the grain will grade up to that standard.

MR. AND MRS. FARRELL RETURN FROM TORONTO

Among local residents who went to Toronto, Canada, to attend the International Kiwanis convention were Mr. and Mrs. Felix E. Farrell, who returned yesterday morning. They were gone about two weeks and found the trip a very pleasant one.

The trip from Chicago was made on board the steamer Mississouri, more than 200 Kiwanists having made reservations on this boat. Stops were made at Mackinaw and Port Colborne and also at Niagara Falls.

The Toronto club had made most generous arrangements for the entertainment of delegates and visitors and everything possible was done to make the convention a noteworthy event.

Fishing tackle for the 4th. H. L. SMITH HDW. CO.

WORK SOON TO BEGIN ON HAIRGROVE HOME

The contract has been let to Joshua Vasconcellos & Sons for the erection of a new home for Dr. and Mrs. J. W. Hairgrove on Mound avenue. The lot is between the Elliott property and that of Maplecrest sanatorium. The house will be of brick and tile in a colonial style of architecture. The various rooms will be on one floor and the plans which were drawn by C. W. Buckingham, provide for a very handsome building.

Mr. Vasconcellos said yesterday that he expected to begin the work the coming week. Because of uncertainty with reference to railroad transportation, the contract does not provide the date for completion.

Eat PRINCESS PIE

LEAVE FOR TOLEDO Mr. and Mrs. George Goveia and granddaughter Irena Mary Nunes, left last night for Toledo, Ohio, where they will visit for several weeks with Mr. Goveia's son who is a resident of that city.

CLUBS AND SOCIETY

Westminster Housekeepers Class Plans Lawn Party

The Housekeepers Class of Westminster church will have a party this afternoon on the lawn at the home of Mrs. H. B. Kamm on Mound avenue. Mrs. Walter Rabjohns and Mrs. Kamm will be the hostesses for the afternoon. A program of stunts and games has been planned to fill the afternoon. The hostesses will serve refreshments.

Gave Picnic in Honor of Guests

A number of Jacksonville people went to the farm of J. W. Robertson, northeast of the city, last evening for a picnic supper. D. C. Boxell and family of Marion, Indiana, are visiting at the Robertson home and the picnic was in their honor.

Girls Enjoy Picnic

The girls who are employed in the office of the F. J. Waddell & Co. store enjoyed a picnic at Nichols park Thursday night. The girls went to the park at 6 o'clock and after partaking of a fine picnic supper they spent an hour or so with outdoor games of various kinds.

Worth While Class of Point Church Meets

Miss Cora Megginson was hostess to members of the Worth While Class of Point church Tuesday afternoon. The devotional exercises were led by Miss Grace Middleton, and members responded to roll call by naming a prophesy from the Bible. An excellent paper by Mrs. William Ranson was on "The Prophetic Books of the Bible."

Following the program came a social hour and the serving of refreshments by the hostess. The class will meet next on July 25 with Miss Grace Middleton.

Farewell Party Given For A. F. Sardinha

A. F. Sardinha of 967 North Prairie street was given a very pleasant surprise Thursday evening by members of the Sunday school class he teaches at Northminster church. Mr. Sardinha is to leave Sunday morning for a trip to Madeira Island and it was on this account that the farewell party was given.

Members of the class and their wives to the number of eighteen made up the company and the evening was spent in a very pleasant social way. The refreshments which were served during the evening were of a very attractive kind. When the guests departed it was with the hope that Mr. Sardinha may have a pleasant trip and a safe return. Rev. W. E. Spooner was one of the guests of the evening.

FRANK IRVING HOME IS DAMAGED BY FIRE

Blaze Apparently Caused by Defective Wiring—Loss Fully Covered by Insurance.

Fire which probably started from defective wiring did considerable damage to the residence of Frank Irving 1047 Grove street Thursday night. The loss is estimated by Chief Hunt at several hundred dollars and is fully covered by insurance.

The blaze was discovered about 10:15 o'clock and had gained considerable headway. It started in the basement of the structure and burned its way between the studs to the attic.

Members of the family had been working in the basement during the day but had left no fire. The fire department made a quick run to the scene and soon had water on the flames and they were finally gotten under control.

BIRTHS

Born, to Mr. and Mrs. W. F. Keefe of Des Moines, Iowa, Tuesday, a son, Mrs. Keefe was formerly Miss Martha A. Hoover, of this city.

HERMAN'S REDUCTION SALE SHOULD BE OF VITAL IMPORTANCE TO YOU IF YOU ARE LOOKING FOR RELIABLE MERCHANDISE AT A WONDERFUL BARGAIN PRICE.

LITERBERRY SOCIETY WILL MEET TODAY

The regular meeting of the Missionary society of the Literberry Baptist church will be held this afternoon at the home of Mrs. W. W. Daniels a short distance from Literberry. The program of the afternoon will be in charge of Mrs. John Guy.

REAL ESTATE TRANSFERS

Thomas Smith to B. F. Yeck, lots 1, 2 and 3, block 1, Meredosa \$200. John R. Dunn to J. E. Osborne, lot 28 in Edgmon's third addition \$1.

Arthur L. Howells, son of Rev. A. P. Howell, leaves today to be the guest of his uncle for two months at the St. Louis Club, Walloon Lake, Michigan. This summer camp is composed of St. Louis business men and their families.

IN HOSPITAL

Circuit Clerk Frank E. Wana-maker is a patient at Our Saviour's hospital. He is to undergo a minor operation there but will be at the hospital for a number of days.

CIRCUIT JUDGES ARRANGE SCHEDULE

Outline Work For The Year Throughout the Circuit—All Three Coming to Morgan County.

Judges in this judicial circuit met recently and outlined the assignments of work for the ensuing year. The schedule shows that Judge Smith will preside during the November term of the Morgan county circuit, Judge Jones in February and Judge Burton during the May term. The various assignments are as follows:

Sangamon County. September term, Judge Smith. November term, Judge Burton for November; Judge Jones for December. January term, Judge Smith. March term, Judge Burton. May term, Judge Smith. Macoupin County. September term, Judge Burton. January term, Judge Burton. June term, Judge Burton. Morgan County. November term, Judge Smith. February term, Judge Jones. May term, Judge Burton. Scott County. October term, Judge Smith. April term, Judge Smith. Greene County. September term, Judge Jones. February term, Judge Jones. Jersey County. JSeptember term, Judge Jones. March term, Judge Smith.

JOHN VASEY'S WILL PLACED ON RECORD

Provides For Final Division of Property Among Four Children Nieces and Nephews.

The will of the late John Vasey was filed Thursday for probate in the office of County Clerk Riggs. The will was drawn Feb. 1, 1896, with M. T. Layman and George W. Fox, witnessing the testator's signature. Mr. Vasey bequeathed the sum of \$500 to Mrs. Louisa Daggett and his personal property together with a residence known as lot 1, block 4, in Leech's addition to Sauk Rapids, Minn., to his wife, Mrs. Isabel Vasey.

It is provided further that Mrs. Vasey should have control of the real estate of the deceased during her life time, and that subsequent to her death this property should be sold and the resulting fund distributed among the children of the deceased, brothers, George, Richardson and Peter Vasey.

Jan. 24, 1911, a codicil was made cancelling the \$500 bequest to Mrs. Vasey and providing that her children, Jessie, Bertha, Raymond and Harry Daggett, should share in the residue of the estate on equal terms with the children of George, Richardson and Peter Vasey. The signature to the codicil was witnessed by W. N. Hairgrove and Paul P. Thompson.

Fishing tackle for the 4th. H. L. SMITH HDW. CO.

RESIDENT DIES

Word has been received in the city of the death of Mrs. Ina Johnson Doolittle at her home in Los Angeles, California. The deceased was born and reared here and has many friends who will remember her as Ina Johnson. Miss Emma Boyce of 131 Hardin avenue is a cousin of the deceased. The funeral services will be held in Kansas City.

Mrs. Doolittle was a daughter of Robert Johnson, for many years engaged in the insurance business in this city. As a young woman she was prominent socially and more than usually popular. Following her marriage Mrs. Doolittle lived for a time in Kansas City, which had become the home of her parents, and later became a resident of Los Angeles.

ROADS READY FOR OIL

The rain Wednesday put roads in various parts of the county in fine condition for oiling. Another car load of oil was received yesterday, making the third shipment, and others have already been billed. Superintendent of Roads Baldwin has delayed the oiling work on some roads in the hopes that rainfall would put the roads in better condition.

In fact, some of the roads have been so dusty that rain was absolutely essential unless the oil was wasted by putting it on the heavy dust. The fact is that the oiling of a dusty road makes conditions worse instead of better.

SISTER FELICIA SOMEWHAT IMPROVED IN CONDITION

Mention was made yesterday of the serious illness of Sister Felicia, Mother Superior of Our Saviour's hospital. Reports from the hospital last night indicated that there was some improvement in the condition of the patient, which will be good news to her many friends.

POLICE ON LOOKOUT FOR STOLEN AUTO

A message received Thursday noon by the local police department reported the theft of a Marmon car from Hannibal, Mo., and asked local authorities to be on the watch for the thieves. It was reported that the car was seen at Kinderhook and was traveling in the direction of this city.

SEEKS TO ESTABLISH AERO SERVICE

William Robertson of the Robertson Aero Corp. of St. Louis was in Jacksonville yesterday in consultation with Hutson Bros. and other local people. Mr. Robertson has been here before and is hopeful of establishing an air mail route from St. Louis that will include this city.

MAY DEVELOP GREENE COUNTY CLAY FIELDS

Renewed Interest in Project Near
White Hall Gives Rise to Rumors — Other News From
Greene County Area.

WHITE HALL, June 27—There is renewed interest in the development of the clay fields about White Hall that might be taken as an index of greater things along this line, as logically White Hall should be the leading manufacturing center of the west in all lines of clay products. This is not the case, however, with the output confined to stoneware, sewer pipe and drain tile, also building blocks, while the insistent and increasing demand for brick finds plenty of the proper kinds of clay in the White Hall territory, but not a brick is made here, while at the present time building contracts totaling more than \$100,000 in White alone will call for a large amount of brick that will all be shipped into the heart of the best clay field in the west.

The clay deposits lie east, west and south of White Hall. That on the west has not yet been found inferior to any other clay in the United States for the finest grade of ware. Some of this is on the farm of E. D. Coker, who has become very much interested in the development of manufacturing of clay products since coming to town, but has not the experience to make the venture, al-

tho he has inquired into the purchase of the Western plant. On the south-James Pegram has a deposit that he is giving commendable attention and he has formed an exploring party with C. Stahl and C. A. Ruckel, aside from himself, which gives rise to reported development in the vicinity of Berdan. In fact Mr. Pegram says he intends to locate a brick plant in Berdan, where his way will be handy, where he also has some coal, and where the new state hard road will be accessible.

It is reported that such clay manufacturers as Messrs. Ruckel and Stahl are not the only ones investigating Mr. Pegram's land, but that an inquiring eye has been cast by one of the largest brick manufacturing concerns in the country that may seem important things for the village of Berdan.

Weekly Crop Report

The weekly weather and crop report for the White Hall station of the weather bureau for the week ending Monday, shows continued lack of moisture from the previous week, and grasses and all forms of vegetation are suffering. In the case of corn unless rain comes soon the lateness of the corn crop will not without adequate moisture enable it to mature before killing frost. Chinch bugs are reported numerous in places, and they are beginning to make for the corn fields. Wheat cutting is in full blast, and threshing will get under full blast in another week. Estimates for this section average twenty bushels to the acre, and this estimate will likely be lessened by later figures.

There was comparatively little oats planted this year, and it was so late that this crop is hardly calculable. The dry spell cut short an otherwise large raspberry crop. Berry culture is taking on increased proportions in the immediate vicinity of White Hall under arrangements for better marketing facilities that will take care of the crop. Potatoes show lack of development, but they will yet develop in good shape with rain in the next few days.

The highest temperature reading during the week was 99 on the 24th. The mean maximum was 90.3 and the mean minimum 63.5 degrees, making the mean temperature for the week 76.9 degrees. There was a shower of 0.34 on the 20th, more than the total rainfall for the month up to date with the exception of this one shower.

Boy is Injured

A motorcycle engineer by Richard Bell, age 13, son of H. E. Bell, ran amuck from rear of the Register-Republican office Saturday afternoon, pulling off a splendid Charley Chaplain stunt. It first took a crack at the Brown & Halbert grocery store, thence shot at the Doyle monument, tearing into a window at the office corner. David Parton, son of Richard Parton, age 8 years, was in the side car, and received some cuts about the face. It was that he had a broken nose.

Frank Yockey left for Duluth, Minn., today to take a position as chairman with a creamery concern. Mrs. Yockey will go later. They returned from Nashville, Tenn., a little over a week ago, where Mr. Yockey was connected with a creamery for more than a year, and which recently changed management.

A Burlington railroad attorney recently visited White Hall to look up claims. The destruction by fire of the general office building in Chicago destroyed all the claim papers, and claim attorneys are going over the entire system to get a new line on the claim situation. This is only one of the many setbacks to the transaction of business by the main office occasioned by the fire.

NEWS NOTES

C. O. Lakin was over from Taylorville this week with his family on a vacation visit from duty as operating head of the Chicago & Illinois Midland railroad. He divided the time between Berdan, White Hall and R. H. Postlewait is now well on the road to recovery from his illness with typhoid fever. Manchester.

A card from Ralph C. Pierce states that he and his family are enjoying a couple of weeks at Denver with his uncle, W. E. Green, general manager of the Union Pacific railroad.

Annual Fish Fry

The annual Baptist fish fry set for July 4th has been called off until an August dating in order that the Roodhouse fish fry may have the Fourth entirely to itself. The decision was reached at a meeting of the ladies' guild called for the dual purpose of business and sociability, the latter being for the purpose of saying farewell to Mrs. Hattie Pinkerton, who leaves Tuesday on her return to Colorado, and will be accompanied by her daughter, Miss Laura.

Miss Bernice Huff is back from the University of Chicago with the degree of Ph. B. A select gathering of ladies in her honor was held at the home of Mrs. L. G. Seely. Miss Huff intends to go to Wisconsin to teach during the coming term.

Again Ward L. Hull has carried off first prize in the state egg-laying contest at Murphysboro. The summary of awards show that his five hens laid a total of 122 eggs, and he also has an individual hen record of 28 eggs for the month the awards being for both light and heavy classes. This gives Mr. Hull three silver cups in four months on his White Leghorns. In April he got first with 118 eggs, in

March second with 109 eggs, and in February first with 95 eggs his production increasing with the advance of the egg-laying season.

Michael Daley to Retire

Michael Daley, long identified with the commission business in East St. Louis, has disposed of all his interests there with the view of retiring from city life. Last week he came to White Hall at the instance of R. V. Clark and purchased the McPherson property on Centennial street, which he expects to occupy Sept. 1st. His son-in-law, H. C. Windt, is in the electrical business, having office quarters in the Arcade building, St. Louis, and he is considering locating here with the Daleys.

Vacation Season

The vacation season at the local telephone exchange begins with the absence of Misses Mildred Fair and Emily Smith. The former is spending her two weeks at Greenfield and Jacksonville, while the latter is dividing her time between Wrights and Nobo.

Mrs. Anita Maddern and son James have returned to St. Louis after quite an extended stay among relatives. The latter will soon enter military school at Culver Ind. Mrs. Annie Higbee, mother of Mrs. Maddern, has taken rooms with Miss Dora McFarland, and has arrived from St. Louis for an indefinite stay.

OPEN AIR SCHOOL TO NEW LOCATION

Is Being Set up on Springer Lot
Opposite David-Prince School—
Will be Made Into Two Rooms.

The big summer task of the board of education is now nearing completion. The big task referred to is the moving of the open air school from its old site to the new. The school was formerly located just west of Grace church but because of the expiration of the lease a change was made necessary.

The building was sawed in half and dragged to the Springer lot just north of the David Prince building. The old Springer home is located on this lot and will be remodeled so as to form part of the Open Air school. The Josephine Milligan building will be raised on a foundation high enough so the Springer house and itself will be of equal height.

In the past the open air school has been held in one large classroom but now the room is being divided to make two. These two rooms will be heated by steam coils which will be much more efficient, not to mention more cleanly, than the old system of stoves.

The Springer house will be remodeled to make kitchen, dining room, cloak room, and shower room, also leaving room for any new demands which may be made for space.

Three men have been keeping busy with the repairs and upkeep on the other schools. Interior painting and work on the roofs being two of the largest items in this department needing attention.

MURRAYVILLE AID HAD BIRTHDAY SOCIAL
Ladies of M. E. Church Enjoy Birthday Social Thursday Afternoon — Interesting Program Given.
Murrayville, June 29.—The members of the M. E. Ladies Aid Society whose birthdays fall in May, June and July were the hostesses at a birthday social given Thursday afternoon in the church basement. There were seventy or seventy-five persons present and the occasion was one which all thoroughly enjoyed. Mrs. Mary Kennedy was chairman of the program committee and the hostesses of the afternoon were Mrs. H. U. Million, Mrs. H. G. Strang, Mrs. Annie Storey, Mrs. Pearl Doyle, Mrs. Lida Jones, Mrs. George R. Jones, Mrs. Margaret Sooy, Mrs. Sadie Million, Mrs. Etta Martin, Mrs. Belle Wesner, Mrs. Mary Gunn, Mrs.

Liquid Fire
A liquid fire to the bedbugs, roaches, ants and fleas is what the new chemical discovery really is, although there is no damage to be done by using it to your springs, furniture or clothing.
This new chemical is known as Peaky Devils. It will have the power of riding your house of bedbugs, ants, roaches and fleas if you purchase P.D.Q. It is used and recommended by the leading Hospitals and Railroad Companies as the safest and quickest way of ridding the peaky bedbugs, etc.
Special Hospital size \$2.50—makes five gallons. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form.

MISSIONARY SOCIETY OF DUBBIN CHURCH MEET
The regular meeting of the Woman's Foreign Missionary Society of Dubbin church was held at the home of Mrs. B. F. Rawlings Thursday afternoon. The program of the afternoon was a very interesting one, including music, recitations and representations of Bible scenes. There were also some tableaux representing missionary work and an address on "America's Contribution Toward the Heavens" by Dr. F. M. Rule.
Delightful refreshments were served and a substantial offering was taken for the W. F. M. S. work.

COULD HARDLY FIND A BUGGY
A short time since a man west of the Mississippi wanted to buy a new buggy and could find none at any place. He appealed to his local dealer in agricultural implements and the latter to a traveling salesman who finally located one at quite a distance and had it shipped to the customer. Elderly persons remember Edwin Hayden on East street, Samuel Cobb on West street, John W. Hall on South Main street, E. Keemer on South Main street and other manufacturers of buggies while for some years the factory of Louis Fredlander in Lynnville was pointed out. The writer well remembers Dr. Henry Jones riding in a buggy for which he paid John W. Hall \$450.00.

Filling the Week-End Bag
For the week-end bag a sport dress is essential. A slip-on jumper dress of rayon is best. Also take along a simple dinner dress. If you wear a suit, an extra blouse or two will fit in on odd occasions.

ZION
The Children's day exercises at Zion Sunday evening, were well attended from all points.
Mrs. Earl Hall and children and Mrs. William Hart and children spent Monday with the former's mother, Mrs. Lennie Dobson and family.
Mr. and Mrs. Lloyd Hunt of Roodhouse spent Sunday with Mrs. Hunt's mother, Mrs. Charles Wagstaff and family.
Mrs. Terry Rousey and son of Buckhorn spent last Tuesday with her parents, Mr. and Mrs. Jesse Covington.
Mr. and Mrs. Charles Strawn, Mrs. Lennie Dobson and family were Jacksonville callers Saturday.
Mrs. James O'Brien enjoyed a visit from her parents last Friday.
The Ladies' Aid of Zion have set Saturday, August 5 for their annual burgo picnic.
Mose Maberry is stacking his wheat this week.
Mrs. S. A. Bracewell is on the sick list this week.
Mr. and Mrs. H. L. Ward and family of Murrayville spent Sunday evening with Mr. and Mrs. William Hart and family.

SOUTH JACKSONVILLE WILL NOT TAKE WATER
Inhabitants Are Not Dry Despite the 18th Amendment and the Long Drought—Bond Issue Proposal Defeated.
Despite the 18th amendment and the long drought residents of South Jacksonville are not dry. This was evidenced yesterday when a special election was held to vote on a \$10,000 bond issue for the purpose of laying water mains in the village. For some months the president and trustees of the village have been negotiating with the Jacksonville city council relative to securing water service.
After the Jacksonville council had made a proposition to the village which had been accepted it seemed certain that the project for bonds would go thru.
However, the residents showed their opposition in no uncertain terms. One hundred and eleven ballots were cast at the election yesterday. Ninety of these were against the proposition and 21 for.

STOLEN WHEEL RECOVERED.
The bicycle that was stolen from the Myrick repair shop on Monday was recovered Wednesday. It had been taken by a little deaf boy who just "wanted a wheel." The boy did not seem to understand the meaning of crime and was merely very poor and wretched and desired to have a little enjoyment like other boys. The little fellow was locked up for a couple of hours and given a reprimand by the Chief. Mr. Myrick feels kindly toward the boy and did not wish to have the lad's name mentioned.

MEREDOSIA ASS'N. ELECTED OFFICERS

Homecoming Association Held Annual Business Meeting This Week—Other Meredosia News.

Meredosia, June 29.—The Meredosia Homecoming Association held their annual business meeting this week and decided on August 31, Sept. 1 and 2 as the dates for the annual homecoming.

The annual election of officers was held and the following were named:

President—J. D. McLain.
Vice President—J. F. Brockhouse.

Secretary—L. F. Berger.

Treasurer—Russell Brockhouse.

Soliciting Committee—J. L. McLain, C. P. Hedrick, Clyde McAllister, D. F. Baughman.

Printing and Publicity Committee—W. O. Wilcox, chairman.

Alvin Perry returned home Tuesday after a six weeks stay at Detroit, Michigan.

Mrs. Alice Merriss spent a few days in Bluffs this week.

Mr. and Mrs. W. A. Schmitt had as their guests Wednesday Mrs. Fred Cox and three children, Mrs. Duff Young and son of Mt. Sterling, Mrs. Lillian Schoenen of Ocean Park, California.

Thos. Beely was a Jacksonville caller, Wednesday.

Miss Sybil Hodge of Decatur who was visiting her grandfather Levi Hodge and other relatives here received the sad news of the sudden death of her mother Tuesday, and she returned to her home in Decatur Tuesday. The body will be sent here Thursday and the burial will take place Friday.

Mrs. Harry Tibbs and three children of Flora arrived Wednesday for a visit with her parents Mr. and Mrs. Jno. Yaekel.

H. F. Trebert was a caller here from Arenzville Wednesday.

H. E. Harris and father George Harris left Thursday morning to drive thru to Rochelle.

Mrs. Albert Peters visited with her father in Merritt, Tuesday.

Benny Starks returned home Tuesday from a few days visit in Springfield.

F. W. Burdick was a business visitor in Jacksonville Tuesday.

Johnnie Peters returned home Tuesday from a week's visit with his grandparents in Jacksonville.

Mrs. William Moss is spending the week at her home near New Salem.

Ernest Northup made a trip to the county seat Tuesday.

R. J. Omen and son motored down from Arenzville Wednesday.

Word has been received from Prof. J. M. Chesmitt that he has been employed as superintendent of the Community High School at Good Hope, Illinois.

WANT FARM HANDS

IN KANSAS

The Chamber of Commerce received a telegram yesterday from the secretary of the Chamber of Commerce of Kansas City asking for farm hands. Several Kansas towns including Dodge City, Ness City, and Pratt are in desperate need of men. The wages offered are very good, being \$4 a day and room and board.

But the Kansas City Chamber called at the wrong place for recruiting farm hands. All the efforts of both the Farm Bureau and the C. of C. have not been sufficient to get enough men for the local farmers.

LEAVES FOR THE WEST

Miss Lucy Mount left last night with a party of friends for Colorado Springs, Colorado, near where they will spend the summer months. Miss Sylvia McPherson will take Miss Mount's place as Surgical nurse in the office of Dr. Carl Black for the summer months.

E. C. Newman of Murrayville attended to business in the city yesterday.

There is a great advantage in the fruit growers' association. It may seem like a trust but they are better for both producer and consumer. In the first place, each member must produce for market only strictly first class material and will be expelled otherwise. Then prices are stabilized. Cut throat competition among large growers would soon demoralize the market and be worse for all. If the melon growers of Scott, Morgan and Cass counties and any contiguous parts to the melon producing could thus get together it would be far better all around. The growers of strawberries in Arkansas where so many are raised have such an organization and it is an excellent thing.

Bananas come from Mexico and South America. They have to be grown where good soil and warm weather predominate.

Celery is raised largely in Michigan, California and Florida. Melons are first received from Florida and as the season advances from Georgia, Oklahoma and Missouri.

Peach trees should be planted on yellow land and not permitted to remain more than nine years. Lower Texas and the Rio Grande valley are good for cabbages tho they are rather far away.

The sandy soil of Michigan is fine for potatoes and some special districts raise them very profitably.

Apples are always a profitable crop when they do at all well but they must be handled with great care and judgment. For a general orchard the following varieties are best as they are in order named early, medium and late: Transparent, Duchess, Wealthy, Jonathans, Grimes Golden, Willow Twig and Ingram.

Apple trees must be sprayed seven times and various seasons of the year in order to overcome the enemies which prey upon them. Calhoun county has held the palm for a good while but it is likely to close it to Jersey and Pike counties. Good apple trees properly cared for, forty trees to the acre, from time they begin to bear, increase in value practically a dollar a year up to twenty years.

The company obtained possession of an orchard of 72 acres. I had been neglected and was reducing but little. They put a force of men to work trimming it thoroughly, put in a tractor and gave the land good cultivation, added fertilizer and this year the tract bids fair to yield 350 barrels of good fruit.

Peach trees do best on yellow land and the orchards should be well cultivated and sprayed at the right times.

There are three reasons why we get so much fruit and vegetables from a distance.

Our soil and climate are not favorable to many articles we bring in; the land here is too valuable for many other purposes and the people have not had patience and have not given enough intelligent care to small things. We have become so accustomed to the regular routine of cattle, hogs sheep and horses, corn, wheat, oats and hay that we have forgotten or overlooked other sources of profit.

The Journal is not here to puff any one or to bestow unmerited praise but it has in mind a case worth mentioning. The forty acres, part of it yellow knobs, formerly owned by F. A. Stevens, some five miles northeast of the city, was rented by a man who was unable for years to pay his rent tho he worked hard. A. M. Hoover rented the same place, used intelligence and industry and today owns the place largely thru his intelligent way of carrying it on.

BOY WILL MAKE LONG JOURNEY TO CHAPIN

Alden Tucker of Scranton, Pa., Coming for Visit With Relatives in Morgan County—Other Chapin News.

Chapin, June 29.—Mr. and Mrs. Harris Robinson and little daughter Helen Lucille of Petersburg arrived Wednesday for a visit with Mrs. Robinson's parents, Mr. and Mrs. J. Z. Fox.

Mr. and Mrs. Charles Whipple of Champaign were Wednesday arrivals. Mrs. Whipple is a guest of Mrs. E. F. Antrobus. Mr. Whipple accompanied by E. F. Antrobus went to Meredosia on a fishing trip.

Mrs. Phoebe Scott will go to Chicago the latter part of the week to meet her grandson, Alden Tucker, son of Mr. and Mrs. A. R. Tucker of Scranton, Pa. Alden will make the trip from Scranton to Chicago with a business associate of his father's. Returning with his grandmother to Chapin he will spend some time with her and his aunt Mrs. E. E. Sidles also his grandparents Mr. and Mrs. Howard Tucker.

Rev. and Mrs. O. W. Lough and children visited in Jacksonville on Wednesday, guests of Mr. and Mrs. Albert Killiam.

Mrs. Elizabeth Bridgeman and Mrs. P. H. Ham visited Jacksonville Thursday to call on Mrs. Alex Patterson who is quite ill.

Rev. and Mrs. J. L. Wallace of Concord were guests at supper of Rev. and Mrs. O. W. Lough on Thursday evening.

Born, to Mr. and Mrs. Arthur Flynn, Tuesday, a son, second child.

Born, to Mr. and Mrs. Frank Nash, Monday, a son, first child.

W. I. Williamson visited relatives in Jacksonville Tuesday.

CHILDREN'S PARTY GIVEN AT CONCORD

Mrs. F. C. Nickel entertained at a delightful children's party Tuesday afternoon at her home in Concord, in honor of the fifth birthday, of her niece, Grace Elizabeth Gaddis. Sixteen children were invited and games were played on the lawn.

The main feature of the afternoon was the birthday cake with its five lighted candles, after which attractive birthday refreshments were served.

The guest list included: Aileen Murphy, Mildred Hansmeier, Kathleen Ginder, Frances Gaddis, Enola McConnell, Frances Brainer, Aileen Brainer, Betty McCon-

nell, Martha Leeper, Dorothea Brainer, Hazel Rentschler, Lucille Detrick, Ethel Nickel, Arpha Nickel, Elta Hansmeier.

Ice cream supper at Lynnville Christian church Friday evening, June 30; will also serve sandwiches. Be sure and come.

SCHOOL TEACHER'S FRIENDS MADE GLAD

One of them had this to say yesterday. "We never thought that poor Ellen would ever recover, she had suffered so long from stomach and liver trouble and had lost more than 40 pounds in weight. She took a bottle of Mayr's Wonderful Remedy upon the advice of her aunt and has steadily improved from the first dose. We are all confident of her complete recovery." It removes the catarrhal mucus from intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at all druggists. (adv.)

NEWS OF THE SPORT WORLD

DEMPSEY ACCEPTS WILLS' CHALLENGE

Prospects Good for Match for Heavy Weight Title—Also Deposit \$2,500 With Boxing Commission.

New York, June 29.—First steps in negotiations which it is believed eventually will bring Jack Dempsey and Harry Wills, negro pugilist into the ring for a titular match for the heavy-weight crown, were taken today when Dempsey formally accepted Wills' challenge.

This acceptance was announced by the New York State Boxing Commission. The body officially acknowledged receipt of the challenged and deposit of \$2,500 and later issued a proclamation that unless Dempsey before July 10, accepted under reasonable conditions, his title would be declared forfeited as far as New York was involved. In accepting the challenge Dempsey, thru his manager, Jack Kearns, requested that a conference between the principals be held soon, so that conditions governing the proposed bout might be considered. It is understood the managers

of the two heavy weights will meet within the next week or ten days.

The secretary of the boxing commission, in issuing the formal statement, said that if the match did not appeal to promoters and there were no bids for such a contest, Dempsey having fulfilled his part of the contract by accepting the challenge would remain in possession of his title in the state. If the boxer should refuse what the boxing commission considered a reasonable offer, both would lose their status.

Manager Mullins, speaking for Wills, said that he desired a bout before fall, but such appeared improbable. Tex Rickard, the promoter from whom, it is understood both heavyweights expect an offer, stated emphatically that he would not be interested in a contest before next summer.

It is also doubtful whether the pugilists actually expect to meet inside of 12 months.

Dempsey has stated that he requires several building up matches before he is ready to risk his title against such a formidable contender as the Black panther.

WILLIAM TO MEET BROWN IN FINALS

St. Louis University Man to Play Yale Man for Intercollegiate Tennis Title.

Philadelphia, June 29.—L. E. Williams, Yale, and Wray Brown, Washington University, St. Louis, will meet in the final round of the singles championship of the intercollegiate lawn tennis association Saturday as a result of their victories today in the semi-final round.

Williams provided the biggest upset of the tourney by defeating Philip Neer, Leland Stanford, the title holder, in straight sets, 6-3, 6-1. Williams played one of the best games of his career. While Neer was handicapped slightly by his injured right knee. The Yale captain played a steady game making but few errors. Neer's usual accurate and speedy service was missing and his inability to control this department of his game worried him and affected his play.

GRIMES' PITCHING WON FOR DODGERS.

BOSTON, June 29.—Grimes pitched effectively against Boston today, Brooklyn winning, 7 to 3.

Marquard was hit opportunistically by Johnson, made three hits and walked once, and fielded sensationally, twice robbing Nixon of what looked like hits.

Score: Brooklyn—

020 010 301—7 10 1

Boston—

000 012 000—3 9 3

Grimes and O. Miller; Marquard, P. Miller and Gowdy.

NEW YORK WON IN TENTH INNING

WASHINGTON, June 29.—New York split even in its two game series here by taking the final today in 10 innings, 6 to 4.

Yanks tied the score in the 9th when Pipp tripled and Ward singled, while in the 10th a walk to Hoffman and singles by Witt, McNally, Ruth and Mousel gave them their winning margin.

Score:

New York—

200 000 001 3-6 12 1

TWO AMERICANS WIN AT WIMBLEDON

Dean Mathey and Gerald Patterson Wins Matches in Brilliant Fashion—Molla Mallory Also Takes Match Easily.

WIMBLEDON, June 29.—An American today appeared for the first time on the singles championship center court in the international grass court tennis tournament, when Dean Mathey, 17th in the American National ranking list, won from M. Wash-

er of Belgium, after a hard

fight, 6-6, 6-2, 6-2, 7-5.

Mathey played brilliant tennis

in the last two sets, and clinched

the match principally through his

splendid volleying.

G. C. Caner, former American

intercollegiate singles champion,

scored a creditable victory over

D. Greig, a British player, 7-5,

2-6, 2-6, 6-1, 6-4, after discarding

his steel racket, 6-1, 6-1, 6-4.

Also began with but relinquished

after losing his first set to Wash-

er.

Mrs. Molla Bjurstedt Mallory,

American woman champion, easily

won her first match of the tourna-

ment against Mrs. Keays of

England, 6-0, 6-2.

Axel B. Gravem, an American

Rhodes Scholar at Oxford, was

the second American on the Cen-

ter court in his match with Ger-

ald Patterson, the Australian star,

who took the match, 6-1, 6-1, 6-4.

Patterson's service was the

fastest seen at Wimbledon this

year. He created a fine impres-

sion with his backhand drive

which always was fast and safe.

CHICK EVANS GETS TO SEMI-FINALS

Champion Has Easy Time With Payseur of Des Moines Winning Six Up and Five—Evans Meets Wright Today.

KANSAS CITY, Mo., June 29.—Chick Evans of Chicago, George Von Elm of Salt Lake City, Clarence Wolf of St. Louis and Fred Wright of Los Angeles will fight it out tomorrow in the semi-final rounds of the western amateur golf tournament as a result of their victories today.

Evans and Von Elm had walk-aways in their matches but Wolff after nerve-breaking struggles which produced beautiful golf, Chick's victory was six and five over Young Ted Payseur of Des Moines, while Von Elm earned a 9 to 7 victory over Francis Gaines of Omaha, who yesterday elimi-

nated Harrison Johnston of St. Paul. Wolff got into the semi-

finals thru defeating St. David-

son Herron of Chicago, former na-

tional amateur champion, 4 and 3

in a great match and Wright was

forced to show everything he had

to win from Young Jess Stuttle

of Kansas City, 3 and 1.

Wolff played a perfect game,

his card showing figures just

about par. He did everything

just right, his long drives land-

ing just behind the powerful

pokes of Herron and his approach

ing and putting excelled that of

the Chicagoan. On almost every

hole Wolff managed to keep even

with his opponent and whenever

the latter presented an opening

Wolff was able to take advantage

of it. Herron at time rose to su-

per golf, twice getting birdie two

on the 157 yard seventh. His

defeat became certain when he

sliced his drive into the rough

on the 33rd and the Wolff also

played it poorly a half in six gave

the St. Louisan match.

Jess Stuttle played a splendid

game in carrying Wright to the

35th but the nerve and experi-

ence of the pacific coast shooter

proved too much for Stuttle and

he finally broke under the strain.

At the 27th he had things pretty

much his own way.

Chick Evans just toyed with

Payseur. Warned by his tight

matches and near defeats at the

hands of two youngsters yester-

day—Held and McKee—"Chick"

started off today in perfect form

and soon held a five hole advan-

tage. From then on Chick loaf-

ed. He shot just well enough to

keep the lead and several times

overlooked chances to increase

his lead by conceding long putts

which gave Payseur halves on the

holes.

Payseur played a nervy game.

He fought hard and tried every-

thing, but was outclassed.

Von Elm played the best golf

of the day. He shot a 71—two

under par—in the morning and

had every club working perfectly

all the time. On the sixth hole

he thumbed the cup with a 150-

yard approach just missing an

eagle 2; on the tenth he sank a

35 foot putt and all of his shots

were well-nigh perfect. His

first nine in the afternoon was a

34—three under par, and his

card showed a large percentage

of birdies.

Von Elm, trans-Mississippi

champion, title holder, will meet

Wolff tomorrow when Evans and

Wright will meet. Play will be

at 35 holes.

STEEL AND BAMBOO RODS AT H. L. SMITH HDW. CO.

SMALL STOPS BOXING BOUTS

OTTAWA, Ill., June 29.—Gov-

ernor Len Small tonight interven-

ed to stop a boxing bout in an

open air arena at the telephonic

request of a delegation of Ottawa

ministers. A special arena seat-

ing 4,000 persons had been built

for the contests, the main event

being a bout between Eddie An-

derson, of Moline, Ill., and Jimmy

Kelly, of Chicago.

Early today the clergymen had

the eight fighters who were to

have appeared tonight, taken into

custody on peace warrants after

which they were released. Fear-

HIGHER PRICES IN
THE WHEAT MARKET

By Associated Press.
CHICAGO, June 29.—Predic-
tions of bullish crop estimates to-
morrow, black rust reports from
South Dakota and uncertainty
over railroad strike talk led to
higher prices today for wheat.
The market closed unsettled, 1/2c
to 1 1/4c up; July \$1.14 1/2 to
\$1.15 1/2. Corn gained 1/4c to 1/2c;
oats lost 1/4c to 1/2c and provisions
finished at a range varying from
5c decline to 15c advance.

At first, the wheat market
showed a tendency to seek a low-
er level of values, considerable
selling having been induced by
optimistic advices relative to the
spring crop outlook and by weak-
ness of foreign exchange, espe-
cially a new record turn for Ger-
man marks. Sentiment soon re-
versed itself, a fresh flood of
disappointing threshing returns
coming from all sections and
being followed by gossip that
crop experts would issue compre-
hensive statements tomorrow in-

NOTICE TO CONTRACTORS

Sealed bids will be received by
the Water Committee for the dig-
ging of about or approximately
1100 ft. of trenches 4 ft in depth
and 20 in. in width and bell holes
to be 12 ft. centers, for water
mains and refilling trenches along
the following streets: Washington
St. from N. Main St. to N. East
St. Railroad St. from N. Church
St. east to the Eli Bridge Co.
Bids will be received up to the
hour of 4 o'clock P. M. Monday,
July 3, at the office of the Water
Supt.

Bidders will examine the loca-
tion and judge for themselves of
all the circumstances surrounding
conditions affecting the cost and
nature of the work.

All work to be done under the
supervision and to the satisfac-
tion of the Water Supt. All bids
shall be per lineal foot. The Water
Committee reserves the right to
reject any and all bids.

W. H. COBB,
Water Supt.

dictating a decided reduction in
the estimated yield of winter
wheat.

Confirmation that black rust
was spreading, and had been
found on the stem of spring
wheat in Moody county, South
Dakota, gave further incentive to
buying, and so did the fact that
the first crop of new wheat re-
ceipts in Chicago proved to be of
inferior quality. Increased ten-
sion regarding the railway strike
situation created also during the
greater part of the day as a bul-
lish factor. Notice taken, tho, of
steps by federal authorities to
intervene led to a little down-
ward reaction in prices just be-
fore the close.

Liberal export business helped
give strength to the corn mar-
ket. Oats were depressed by
slowness of cash demand and by
sales to go to store here.

Provisions averaged higher in
line with the high market.

Chicago Livestock Market

By Associated Press.
Chicago, June 29.—(U. S. Bu-
reau of Markets.)—Cattle—Re-
ceipts 10,000; active; beef steers
and better grade butcher shep-
stock strong to 15c higher; in-
ferior grades beef steers getting
most advance; top beef steers
\$10.10, weight 1,374 pounds;
long yearlings \$10; bulk beef
steers \$8.35 to \$8.90; canners and
cutters weak to lower; bulls 10c
to 15c higher; veal calves steady
to 25c higher; stockers dull;
bulk butcher cows and heifers
\$5 to \$7.50; bulk canners and
cutters \$2.85 to \$3.85; bulk
holsteins \$4.50 to \$4.65.
Hogs—Receipts 31,000; open-
ed 10c to 20c higher, spots up
more, closing 10c lower than
early; strong to 15c higher than
yesterday's average; top 11;
bulk \$9.75 to \$10.95; bulk good
butchers \$10.85 to \$10.95; pigs
steady; mostly \$10 to \$10.50;

lambs 25c lower; sheep, feeders
and yearlings steady; top native
lambs to packers \$13; few to city
butchers \$13.25; culls \$6.50 to
\$7.50; Idaho lambs \$13.25, with
one double feeder \$12.30; good
heavy dry fed yearlings \$11.25;
top fat ewes \$7.

CASH GRAIN
REPORT

By Associated Press.
CHICAGO, June 29.—Cash
wheat was in good demand today
and prices were 1c higher. Con-
tract grades were in light offer-
ings. Premiums on red and hard
were 1 and 1c better. Shipping
sales were 3,000 bushels. The
seasoned estimated 200,000 bu-
shels had been taken for export,
but confirmed cancellations yester-
day of 400,000 to 500,000
bushels.

Cash corn was firm, with the
trading basis relatively 1/4c to
1/2c higher. Shipping sales were 180-
000 bushels including 100,000
bushels to exporters.

Cash oats was unchanged and
the trading basis was steady.
Shipping sales were 80,000 bu-
shels. There were sales of 200-
000 bushels to go to store here.

Car lot receipts, Wheat, 27;
Corn, 314; Oats, 68.

ers, 23, 28, 34c; springs, 25c;
turkeys, 14 1/2c.

STOCK MARKET HAS
IRREGULAR SESSION

By Associated Press.
NEW YORK, June 29.—To-
day's stock market manifested
pronounced uncertainty and
predictions in financial circles
that federal action soon would be
taken to terminate existing and
prospective labor disturbances.
The foreign situation also oc-
casioned further uneasiness, de-
velopments in Ireland and Ger-
many finding clearer reflection in
the increased heaviness of ex-
changes. The German rate fell to
an unprecedented level and
central and eastern European re-
mittances were acutely weak.

Despite the graver aspects of
the railway industrial situation,
transportations were the most
stable issue of the session, but
extreme gains of 1 to almost 3
points in some dividend paying
shares were much impaired in
the later operating hours.

Oil was the weakest features
throughout. Steels, equipments
motors and kindred stocks were
sluggish the greater part of the
session, the few exceptions at
moderate gains including Cru-
cielle, American Locomotive and
Studebaker, the latter gaining
one point net. Total sales
amounted to 700,000 shares.

While local banks continued to
withdraw funds to meet July
payments, money rates relaxed
perceptibly. Call loans gradu-
ally eased from the opening
quotations of 4 1/2 per cent in the
last half hour and short time loans
were more plentiful at 4 per cent
on prime collateral.

Recoveries from lowest quot-
ations in leading exchanges were
made before the close. Sterling
rallied a large fraction, extreme
reactions in French, Italian and
Belgian bills were partly in some
instances fully retrieved.

Liberty bonds were compara-
tively quiet. Total bond sales,
par value, aggregated \$11,309-
000.

DO STUDENTS GO TO CHURCH?
THESE PHOTOS ANSWER QUESTION

Do university students attend Church? Look at these photographs. All taken on the same day, outside of St. John's chapel at the University of Illinois. They answer the question. Incidentally, the chapel is almost a mile from the University campus—a long hike for young men and women who might seek some excuse for the easier way of spending the morning in bed, or in some form of amusement. The photos also show one of the reasons why the movement for a Catholic Foundation at the University for which a Million Dollar Fund is now being raised by the Knights of Columbus, Catholic Knights of America, Catholic Order of Foresters and Ancient Order of Hibernians, was started, and why there is an immediate need for a new chapel. A large percentage of these young men and women are enrolled in the religious education classes now being conducted by the Rev. John A. O'Brien, Ph. D., chaplain. They want better accommodations for the teaching of religion, and expressed their desires when the Catholic students subscribed \$42,000 out of the more than \$100,000 contributed by Champaign county. Incidentally, every one of the three masses on this Sunday were literally "packed," necessitating the addition of a "camp chair" row of seats in the center aisle, and then many of the students were compelled to stand in the rear.

CITY AND COUNTY

J. E. Gray and family of Waverly made the city a visit yesterday. George Deere and family of Franklin were city arrivals yesterday. Mrs. Vernon Keplinger of Waverly arrived in the city yesterday.
